

The Sky's the Limit

Amelia Earhart Fellowships

A Zonta International Program funded by the Zonta International Foundation

The Amelia Earhart Fellowships, established in honor of the trailblazing aviator and Zonta club member, have awarded more than US\$7 million to women from 59 countries. Hundreds of previous Fellows have gone on to defy stereotypes, working on innovative research as scientists and engineers.

Zonta International, a global organization of executives and professionals working together to advance the status of women worldwide through service and advocacy, seeks applicants for the Amelia Earhart Fellowships.

Amelia Earhart

Magdalena Sandor, USA
Field of Study: Physics
and Astronomy

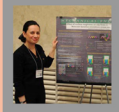

Amira Barhoumi, Tunisia
Field of Study: Aerospace
Engineering

Antje Deckert, Germany
Field of Study: Aerospace
Engineering

Aurélie Vande Put, France
Field of Study: Materials Science

Anoosheh Niavarani, Iran
Field of Study: Mechanical
Engineering and Fluid
Mechanics

Monica Syal, India
Field of Study: Aerospace
Engineering

What Are The Requirements?

Women of any nationality are eligible.

Applicants must:

- * Be registered in an accredited Ph.D./doctoral program in a qualifying area of science or engineering closely related to advanced studies in aerospace-related science or aerospace-related engineering
- * Demonstrate a superior academic record
- * Provide evidence of a well-defined research program in aerospace-related science or aerospace-related engineering and clearly demonstrate the relationship of your research to aerospace
- * Be registered in a full time Ph.D./doctorate program when funds are received in September (students pursuing a post-doctoral research program are not eligible)

How To Apply:

- * Applications for the 2010 Amelia Earhart Fellowships must be postmarked by **15 November 2009** and submitted to Zonta International. For more information and application forms, visit: www.zonta.org
