

**Zonta Club of Monmouth County
President's Report
2008 - 2009**

The Zonta Club of Monmouth County, chartered in 1965, regretfully ended its 40 plus years of service to women internationally, nationally and locally in May 31, 2009. Although, the club was winding down, we held a very successful "Stay At Home" tea, raising \$2,100 to benefit the Brookdale Community College Corrynne F. Godwin Scholarship.

We hosted a farewell luncheon to celebrate our achievements and invited former members, members of the district and representatives from the organizations we support - Brookdale Community College and 180 Turning Lives Around. This was a very emotional event for all.

At this luncheon we gave a \$4,120 check to **Brookdale Community College for the scholarship** and a \$2,100 check to **180 Turning Lives Around**. Additionally, we sent the **Girl Scouts of the Jersey Shore** \$475 and to Zonta International's **Amelia Earhart Fund** \$700 in honor of Audrey Becker, a member since 1971.

Respectfully submitted,

Carolann Nicholas
