

**Zonta Club of Passaic-Clifton
President's Report
2008-2009**

In spite of our declining numbers, we were still able to give out three \$1,100.00 scholarships last year. Our fall fundraiser netted enough funds for three \$900.00 scholarships this year.

We support a Z Club that is second to none. The caring and giving of their time makes these young people truly representative of Zonta International and the Zonta Club of Passaic/Clifton. We are like proud parents.

Additionally, we support Baby Steps Infant/Toddler Daycare. This is a program whereby teenage mothers are encouraged to return to school. Daycare is offered to 24 infant/toddlers of qualifying seniors or juniors at Passaic High School. A class in parenting is mandatory.

This year I hope to resurrect a Saturday morning storybook hour at Wallington High School. It closed last year due to poor attendance. By the children, that is, not the Zonta Club of Passaic/Clifton.
