

**Zonta Club of Prince George's County Area  
President's Report  
2008-2009**

The members of the Prince George's County Area for the club year 2008 – 2009 club year can report in the following areas:

**Public Relations**

This club participated in the Bowie International Festival on the first Saturday in October of 2008, maintaining a booth of information regarding Zonta International and its plight to promote the status of women. One half of the club members served and were interviewed for the broadcast on the local cable network.

**Membership**

The annual Zing was held this passed club year in January. There were five to seven invitees. The club was delighted to have inducted one member for the year.

**Scholarship**

Our club was honored to the host and present the recipient of this year's Amelia Earhart award at our February meeting on behalf of our ZI District 3 Governor, Ellen Karo.

**Fellowship/Service**

This club holds an annual 'White Elephant' activity in December where each member brings a gift (something bought, an in-law's heirloom, and always the club's signature memento that gets passed along every year to decorate a member's home for the remainder of that club year; only to be brought back to following year's 'White Elephant'). Members also bring bought items of family toiletries, children's games, crafts and educational supplies that get wrapped and donated during the holiday to the Family Crisis Center.

The club supported and attended The Prince George's Choral Society's Christmas program in December, featuring the celebrity debut of our club's charter president, Ms. Marcia Porterfield; who wrote an original Christmas song and play; one in which she starred.

This club gave household goods and clothes for the poor to 'Power Moms' of the Future through the Greater Lighthouse Church Bargain room; collected one-hundred pairs of jeans for the Family Crisis Center; and donated over 50 cell phones for 'Secure Call' for abused women.
