

**Zonta Club of Southern Ocean County  
President's Report  
2008-2009**

The last year, since our chartering we have been very busy. We have worked diligently on cultivating new members and generating enthusiasm for Zonta. Our activities have included a pocketbook making exhibit and jewelry show. The proceeds from this were donated to Grace Initiatives who help pregnant teens. We have had several yard sales and keep working on making the community aware of Zonta.

We have received a proclamation from the town consul of Little Egg Harbor, N.J. This was a great opportunity to be known. Our biggest fun raiser to date was a spaghetti dinner we did with the assistance of the local Masons. This event netted \$1,000.00. A portion of this money was donated to Sunshine Foundation to help a female receive a dream. In November are working with the Masons again to help raise money for medical expenses for a local resident. November will also be our Holiday and Gift Expo. We are planning to have local vendors who will show us ideas for gifts.

In one year we have started to learn what we can do to make a difference. We plan to give scholarships and keep the Southern Ocean County aware of Zonta. We also have gotten to know each other and have a little fun
