## Greetings for the 2010 – 2012 Biennium

### Greetings for the 2010 – 2012 Biennium

Dear District 3 Zonta Members,

Over the next two years, District 3 will be focusing on how we make a difference in so many ways. The theme is "Making a Difference, Globally, Locally and to Each Other." Our new focus will help us continue our work to improve the status of women worldwide through service and advocacy.

How do we make a difference globally? This is the foundation of what our international organization is all about. We make a difference by continuing our International Service Projects in Rwanda, Liberia, Guatemala

and El Salvador. We also make a difference with the strategies we have in place to end violence against women. This vital work is continuing in Cambodia and expanding into Nepal and Uganda. A new project will focus on making a difference to women and their families in Haiti. We also have our educational programs that truly impact the lives of the women who benefit from the scholarship awards.

How do we make a difference locally? This is the foundation of what our local clubs do in each of our own communities. We should be doing service projects that tie in very closely with what we are doing on an International level. Does your local service project help advance the status of women through service and advocacy? We will explore this more at the upcoming conference in a break-out session devoted to this important club initiative.

What I believe to be equally as vital is : How do we make a difference to each other? How many times do we talk about how we have had Zonta friends support us professionally and personally? I know Zontians within District 3 who, because of the support and encouragement received from other Zontians, expectations in career achievements were surpassed in ways that had not been envisioned before. I know Zontians who

can be called during difficult and challenging times as well as times when successes want to be shared knowing they will joyfully celebrate with you.. We will explore, at the upcoming conference, how mentoring and fellowship can provide a valuable lifeline for each club and the individual members.

We will begin our journey together at our 2010 Conference in Atlantic City and continue through the 2011 Conference in Solomons Island, Maryland.

Let's work together so we all continue to make Zonta the service organization of choice. Please take some time to review our district goals for this biennium. And I look forward to working with each of you so we can achieve our goals and continue "Making a Difference, Globally, Locally and to Each Other."

Yours in Zonta,

Lisa Fraser

- The convention donations to the Zonta International Foundation as of Tuesday of the convention were \$109,557.05. By the end of the convention that amount had soared to over \$140,000. District 3 was fifth on the list of top donating Districts. More news about donations will be forthcoming soon.

## CONVENTION 2010 HIGHLIGHTS

### By Kathy Rau, Area I Director

This was my first International Convention as a delegate. After attending this convention I can only say that it was **WONDERFUL** and an experience that helped me understand more about Zonta than I ever thought I would know! Even though I have been a member for a number of years, this international overview gave me the best understanding of the way ZI works and the core mission of Zonta. Being with members from so many clubs worldwide helped me really focus on the goals of Zonta and the commitment that so many women have to Zonta (and the many differences of opinion/perspectives we all have). The importance

of the Foundation is so much clearer to me—and how the funds from all the Foundation projects/awards are central to our mission. Three recipients of Zonta awards, the YWPA, Jane Klausman & Amelia Earhart spoke and we all should be proud that our funds are helping them make a positive difference in the lives of others—I was very proud that Zonta funds these programs. Reading about Zonta International, visiting the Zonta website, attending Area Workshops, District Conferences and participating at local club meetings are all important, but participating in and hearing the discussions about Zonta at Convention gave me a per-

spective that is unique and has made me more committed to the mission of ZI.

I was very impressed with the leadership of ZI President Beryl Sten and look forward to the leadership of our new ZI President Dianne Curtis.

I hope all members and clubs will be very supportive of the programs that ZI funds. The dues we pay support the administration of ZI. All donations to ZIF go to fund our service programs.

See the article below for more observations/impacts.

***“Zonta’s major goal is to eliminate all advocacy and service projects at the local level that do not focus on advancing the status of women.”***

## CONVENTION “OBSERVATIONS”

1606 people attended the convention—1295 delegates, 1370 members, 30 District Governors, 7 Past International Presidents and 11 International Board Members. 112 Clubs were represented and proxy delegates represented 632 clubs.

The Finance Workshop

& Open Forum highlighted Zonta funds and it was clear that a dues increase of more than \$15 was necessary. The increase, which was approved will begin with the 2011-2012 year.

There is so much more to report, but space is limited; however one important item is Zonta’s

major goal for clubs: ***to eliminate all advocacy and service projects at the local level that do not focus on advancing the status of women.***

**Our New Zonta International Board**  
**Pictured at right are the newly installed Zonta International Board. Does the 4th person from the right look familiar? It is District 3’s own Ellen Karo who was elected ZI Treasurer. Good luck & Best Wishes to the entire board!**

## DISTRICT 3 GOALS FOR THE 2010-2012 BIENNIUM

The District 3 Board has set its goals for what it hopes to achieve in the 2010-2012 biennium. They are:

- Achieve 100% club participation in donations to ZIF
- Achieve net growth in both membership and new clubs
- Align District chairs with ZI Chairs—so that District goals/initiatives are the same as ZI
- Implement Mentoring programs for each club (varying degrees of activity

Based on club size, culture of clubs, needs, etc.)

**2010-2012 District 3 Theme**  
**Making a Difference Globally,**  
**Locally and to Each Other**

***“It is for us to pray not for tasks equal to our powers, but for powers equal to our tasks, to go forward with a great desire forever beating at the door of our hearts as we travel toward our...goal.”***

## ZI Awards YWPA Scholarship To District 3 Winner

The Westchester Club selected Briana Hilfer, an 11th year student as their YWPA winner. She was also selected as the D3 winner and we are delighted to announce that ZI has chosen her as one of the five ZI winners!

Briana continues a proud tradition in D3 of outstanding young women poised to make a significant contribution to our world. She has already distinguished herself in many creative and leading ways, tack-

ling tough issues. For example, she has an internship with the Holocaust and Human Rights Education Center. In her application she explains: “Friends ask me why I want to study such a depressing subject. I always respond that I focus on the optimism of the Holocaust more than the tragedy. This piece of history contains countless stories of bravery and human spirit.”

The Associate Director of Admission at the school where

Briana will be a senior this year, offered the following in his letter of reference, “There is something uniquely wonderful about Briana ...From the moment I interviewed her 2 years ago, it was clear that this was an exceptional individual who is bright, engaged, intelligent, aware, positive and caring. Briana sees the world as a world of possibilities and is not content to sit on the sideline.” Learn more about Briana at [www.zonta.org](http://www.zonta.org)

## NOTE FROM DISTRICT 3 DATABASE DIRECTOR, ANDREA PIEPER

With the recent Call to Conference email blast, I received quite a few error messages and emails were returned to me as undeliverable. Please have all of your members with email addresses add the following address to their email contact lists:

[apieper1@optonline.net](mailto:apieper1@optonline.net)

We want to ensure the electronic communications are received by those who have email capability. Three hard copies of the Call to Conference were mailed to each Club President.; however, for other email communications, Club Presidents should provide printed copies to members

that do not have access to email or the District 3 website. I will provide a list to Club Presidents of those members who could not receive the email communication . Thank you for helping us improve our communication connection!

## REMINDERS FROM ZI AND OUR D3 TREASURER CATHY PAUL

All Club Treasurers should have received a notice from ZI outlining IRS filing requirements that clubs must meet by October 15, 2010.

Club treasurers, if your club has total **gross revenues greater than \$25,000**, you are required by the IRS to file a Form 990. If you choose to file as part of the Zonta International Group filing then you should follow the instructions for "Form 990 Spreadsheet for Group

Filing" which was sent to you. You can also file the Form 990 separately.

If your club has total **gross revenues of \$25,000 or less**, you are required by the IRS to file a Form 990-N (e-Postcard), which must be filed electronically. **This is a requirement by the IRS! The IRS is very vocal in stating that exempt organizations will lose their exempt status if the 990-N is not filed on a regular basis.**

The IRS will be mailing instructions on the Form 990-N in late July to the address of record for each club. If you do not receive the instructions, you can go directly to the IRS website for the instructions by using the following:

[www.irs.gov/charities/article/0,,id+169250.00.html](http://www.irs.gov/charities/article/0,,id+169250.00.html)

Any questions should be directed to Margaret Ingram at ZI headquarters, (630) 928-1400.

### MEET THE DISTRICT 3 LIEUTENANT GOVERNOR, PAULETTE CHATMAN

*“Membership is vital to our ability to influence the status of women in the future..”*

*Dianne Curtis  
International  
President  
2010-2012*

Paulette Chatman, our District 3 Lt. Governor, is from the Zonta Club of Essex County, Essex County, New Jersey. She is the President of Always Best Care Senior Service of NW Morris, which is a company that specializes in helping seniors who wish to remain home, but need

some assistance. The company offers in-home care and independent and assisted living placement. Paulette has been in this position for only a few months, and now feels that she is fulfilling her dream to help others.. It is a great feeling to see the subtle smiles, show kindness, have long talks and bring some humor during a difficult time, all the while providing the right level of care. Paulette was previously CFO and Controller for a fortune 200 Utility Company for almost 30 years, retiring in August 2009.

Almost immediately after joining Zonta more than 17 years ago, Paulette was asked to serve as the Treasurer of her club, which she accepted

enthusiastically. She subsequently served as 2nd Vice President, Vice President, President, Area 2 Director and now Lt. Governor. Joining Zonta has made Paulette more aware of the issues facing women around the world and of how Zonta has been a part of addressing those issues. She says, “It is truly an honor to serve as your Lt. Governor for Zonta International, District 3 for this biennium. As Lt. Governor, my focus will be on increasing membership and membership retention as well as assisting Governor Lisa Fraser with the goals for the biennium. I look forward to seeing most of you at the District 3 conference this fall, and meeting new members.”

Pictured above, a woman who had been an outcast in her village and who had been abandoned by her husband. Her fault was that she had an obstetric fistula. She is smiling here because the problem has been eliminated and she is looking forward to having children and leading a better life.

### ZONTA INTERNATIONAL SERVICE PROGRAM 2010-2012

The total biennium International Service Program funding of \$1,500,000 is apportioned as \$500,000 to continue the Prevention of Mother-to-Child Transmission of HIV and Gender-Based Violence in Rwanda, a project in cooperation with UNICEF, \$500,000 to continue the Elimination of Obstetric Fistula and the Reduction of Maternal and Newborn Mortality and Morbidity in Liberia, a project in cooperation with UNFPA, and \$500,000 to continue the Safe Cities for Women Project in Guatemala City, Guatemala and San Salvador, El Salvador, a project in cooperation with UNIFEM.

Zonta International Strategies to End Violence Against Women Program will provide \$630,000 apportioned as \$430,000 to fund comprehensive strategy to end burns violence against women in Cambodia, Nepal and Uganda—a project with UNIFEM, \$200,000 to Security and Empowerment for Women and their Families: Ensuring a Gender-Responsive Humanitarian and Early Recovery Response in Haiti also in cooperation with UNIFEM.

The Service Program was enthusiastically approved at Convention 2010 in San Antonio. A full description of the Service Program can be found in the latest edition of The Zontian Magazine's 2010-2012 Biennial Issue One (July 2010).

## News from the United Nations

Probably the most important achievement of the year is the creation of UN Women, a new entity which will encompass and build on the work of four distinct parts of the UN system which focus exclusively on gender equality and women's empowerment. They are: DAW (Division for the Advancement of Women, INSTRAW (International Research & Training Institute for the Advancement of Women),

OSAGI (Office of the Special Advisor on Gender Issues and Advancement of Women, and UNIFEM (UN Development Fund for Women). The main roles of UN Women are to support inter-governmental bodies such as the Commission on the Status of Women in their formulation of policies and global standards as well as to help Member States to implement these standards. It is also its role to hold the UN

system accountable for its own commitments on gender equality which will include monitoring on system-wide progress. GEAR (Gender Equality Architecture Reform) has worked hard over the past 4 years to help to have this new entity become a reality. The Secretary-General has said that it will be operational by January 2011 and its head will have the title of Under Secretary-General.

Pictured above is a stained glass window that hangs in the main entrance of the United Nations building.

Say No—United is a global call for action on ending violence against women and girls. UNIFEM Goodwill Ambassador Nicole Kidman (pictured above) is the spokesperson of Say NO. Base on the most recent available data, up to 70 per cent of women experience physical or sexual violence from men in their lifetime. It happens everywhere, in every country, in every social strata. Everyone has a

role to play in combating this global pandemic; the time to act is NOW. Say No-United to End Violence against Women is a global coalition of individuals, organizations, governments and the private sector to realize a vision that is ambitious, but must never be impossible—a future that is free from violence against women and girls. Be counted in — take action to

end violence against women now. Go to [www.saynotoviolence.org](http://www.saynotoviolence.org) and add your name to the growing list and, at the same time, find out what you and your club can do to further this cause. This is what Zonta is all about. Be a part of it.

*UN Women  
...it is also its role to hold the UN system accountable for its own commitments on gender equality...*

Pictured above are UN Secretary-General Ban Ki-moon and Nicole Kidman at the kickoff of the global call for action **Say NO—UNITE to End Violence against Women** which was launched in November 2009.

## SO, WHAT DOES ZONTA DO AT THE UN, ANYWAY?

Perhaps you are perplexed and need some answers. Or perhaps you know quite a bit, but would like to have frequent updates (or once in a while updates). You can find out more by contacting your District 3 United Nations Chair who will probably send you more information than you

can handle (or want). In any case, communication is the lifeblood of any organization and Zonta is no different. Send your questions, even if it is a one time question and you will get a response.. If you are aware of some issue that should come to the ZI UN Committee,

contact the chairman (just happens to be the D3 chairman as well). All contacts should go to Email [marymac43@verizon.net](mailto:marymac43@verizon.net). Take an active role in one of these ways and be more informed.

## AMELIA EARHART FELLOWSHIPS By Sharon Perry, D3 AE Chairman

**"Women must try to do things, as men have tried."**

**Amelia Earhart**

Amelia Earhart Fellowships is a Zonta International Program, funded by the Zonta International Foundation. I am extremely proud to be a small part of this as the "New" D3 chair for the Amelia Earhart Program. Women of any nationality are eligible. Zonta has awarded thousands of US \$ which may be used at any university or college offering accredited post-graduate courses and degrees. Students must be registered in a Ph.D/doctoral program when

funds are disbursed. We even accept Fellowship applications for a second year, though they must apply as if they were first-timers. The award is \$10,000.

The applicants must also provide documentation of their research program in an aerospace-related field or aerospace related engineering. They must have a superior academic record.. It takes time and effort to complete the application process, but it is well worth the effort.

Many of the past Fellows have gone on to defy stereotypes, raise the bar by working on innovative research as scientists and engineers.

Throughout her life Amelia Earhart believed women needed to step forward TOGETHER and open doors for one another. It is no wonder she joined Zonta in 1930 and was a New York Club member!

## BYLAWS CHANGES AND RESOLUTIONS FROM CONVENTION 2010

In all, there were 27 proposed bylaws or procedures changes, as well as 4 proposed resolutions, which were discussed and debated at the 2010 Convention in San Antonio. The list is much too long to print here, but there were 28 by-laws/procedures which were adopted. 12 were not adopted, 2 were not considered and 2

were postponed indefinitely. Of the four resolutions, 2 were adopted and 2 were not adopted.

If you reference the list of proposals that was sent out prior to the Convention, you can follow the numbers below of those that were adopted.

Articles of Incorporation, By-laws, Rules of Procedure

adopted were; 1b, 2,3,4,5,7, 8c, 9a, 9b, 10,15a, 15b, 16a, 16b, 16c, 17b, 17c, 17d, 17e, 17f, 18a, 18b, 18c, 20, 22, 23, 24, 25a, 27. Resolutions 1 and 4 were adopted.

All of this information as well as the original list is available at the ZI website, zonta.org.

## AREA DIRECTORS FOCUS ON THE FUTURE

The four District 3 Area Directors are busy making plans for leadership meetings and Spring workshops. Area 1 Director Kathy Rau reports that she has been in touch with all the Area 1 presidents and they will be meeting for the first time at the 2010 Conference. She and Area 2 director Elizabeth Smith also report that the Zonta Club of New Rochelle will sponsor the 2011 Area 1&2 Spring Workshop on Saturday, April 16, 2011 in New Rochelle.

Area 3 Director Alice Kirchner reports that she will be hosting a conference call with the Area 3 Presidents on Saturday, September 18 from 9 to 10:30 am. Both Alice and Area 4 Director, Margo Sheridan report that the hosting arrangements for the Area 3 & 4 Spring Workshop have not been firmed up as yet, but the date is set for Saturday, April 9, 2011. Area 4 Director Margo Sheridan tells us that she will have her second leadership meeting on Sat., Feb. 5,

2011 at Fairlington Community Center in Arlington, Va.

**There will be Area Meetings at the 2010 Conference on Saturday afternoon. Plan to attend those meetings as well as the Spring Workshops. Mark the dates so you don't miss them.**

All the Area Directors are looking forward to meeting and greeting their respective area members at the Conference.
